North Sea Regatta activities

It is nice for the followers of the Regatta competitors (partners, friends, family etc.) to follow the entire event from the beach. The boats that will compete are well visible during the time they set sail and come back in, especially from the piers you have a good view.

The North Sea Regatta invited the Optimist on Tour to give young children the opportunity to become acquainted with sailing. The lessons next to the slipway are organized in association with the Zoute Optimist, the municipality The Hague and the Watersportverbond. Every lesson takes 1 ¼ hour. The first two days are booked for primary schools in The Hague. The last day, Saturday 3rd June children are free to join the Optimist on Tour. Everyone between the age of 8 and 12 years old and has the ability to swim, is free to join the Optimist on Tour. You can sign up by sending a mail to this account: optimistontour@watersportverbond.nl. Mention the name and best time for the lesson you want to sign up to.

The Optimist on Tour will be at the slipway during the North Sea Regatta on the following dates:

- Thursday 1st of June: 09:00 till 19.00
- Friday 2nd of June: 09:00 till 19.00
- Saturday 3rd of June: 09:00 till 19.00
